ALPIN CARD

Participants are free to choose the order of cable car rides and slopes between them. After completion, participants automatically receive a message at the email address provided in their personal Skiline account. This message serves as the only confirmation of the successful completion of the Trophy and is also the only authorization to participate in the prize draw.

For the prize draw, there are 3 pots: GOLD for 1 day, SILVER for 2 days, and BRONZE for 3 days. Trophy graduates are assigned to the pots according to the required time (1, 2, or 3 days).

The draw takes place privately after the winter season 2023/24. Winners will be notified by email.

PRIZES

- In the GOLD pot: 3 pieces of 365 ACTION ALPIN CARD (annual passes) for 2024/25
- In the SILVER pot: 3 pieces of SKI ALPIN CARD (season passes) for 2024/25
- In the BRONZE pot: 10 x 2 pieces of ALPIN CARD (daily passes) for 2024/25

VIOLATION OF PARTICIPATION CONDITIONS

In the event of a violation of the participation conditions, the Organizer reserves the right to exclude the relevant individuals from the promotion. Individuals who use unauthorized aids or otherwise gain advantages through manipulation are also excluded. In such cases, prizes awarded may be retrospectively revoked. It is explicitly stated that individuals who do not behave in accordance with the rules in the ski areas are excluded from participation. We strongly urge all participants not to endanger themselves and others while completing the Trophy!

LIMITATION OF LIABILITY

The Organizer is not liable for damages caused by errors, delays, or interruptions in data transmission, disruptions in technical systems and services, incorrect content, loss or deletion of data, and viruses. The Organizer assumes no liability for damages of any kind.

TERMINATION OR CANCELLATION OF THE PRIZE DRAW

The opportunity to participate in the prize draw ends on April 1, 2024, or when the specified cable cars and lifts are no longer in operation. The Organizer reserves the right to cancel or terminate the promotion at any time without notice. This applies, in particular, but not exclusively, to cases where, for technical reasons—such as the failure of the Skiline app, infection of Skidata systems with viruses, manipulation, or errors in hardware and/or software, or for legal reasons—a proper execution of the promotion is made difficult, influenced, or impossible. The Organizer does not guarantee the forfeited awarded prize. If such termination is caused by the behavior of a participant, the Organizer may demand compensation for the damage caused by that person.

OTHER

Legal recourse is excluded. Cash payment of awarded prizes is expressly excluded. Austrian law applies to these participation conditions. If any of the provisions mentioned are wholly or partially ineffective, this does not affect the effectiveness of the remaining provisions. For event-specific competitions (e.g.

tickets), the prize claim expires if the relevant event is canceled. The terms of use for the awarded tickets apply.

DATA PROTECTION

The Organizer assures compliance with the legal provisions of data protection and undertakes to use all participant data, including personal data, only for the purpose of conducting this promotion. Winners expressly agree that their name and origin may be mentioned and published, for example, as part of a promotional campaign.

RESERVATION OF CHANGES

The Organizer reserves the right to change or supplement these participation conditions at any time without giving reasons, insofar as this is necessary in the interest of a simple and secure transaction and especially to prevent abuse or for other reasons. This promotion is not affiliated with Skiline and is in no way sponsored, supported, or organized by Skiline. The recipient of the information provided by participants to Skiline is also the Organizer.
